

Motion to fund traumatic brain injury support services and an advisory council.

I move to appropriate \$566,531 general fund each year of the biennium for traumatic brain injury support services and an advisory council and to restrict the appropriation to those uses. The language implementing the appropriation is listed below.

	FY 2014	FY 2015
General Fund	\$566,531	\$566,531

Traumatic Brain Injury Services may be used only to fund activities that educate and support recovery of individuals and families living with traumatic brain injuries, including military service personnel, to promote brain injury prevention, and to support the traumatic brain injury advisory council
